JOURNEY OF HEALING
JESUS IS THE ETERNAL CURE

John 14:6-7 Jesus said, "I am the Road, also the Truth, also the Life. No one gets to the Father apart from me. If you really knew me, you would know my Father as well. From now on, you do know him. You've even seen him!" (The Message)

Moses was a spiritual leader of the Israelites. He spent more time than anyone in His tribe seeking the Creator, talking to Him, and following His ways. After a time, he thought he was prepared to see the Creator face to face and asked Creator for this privilege. What the Creator agreed to do was to let Moses climb into the cleft of a rock. As He passed by, He took his hand and covered the cleft of the rock. Once He passed it, He removed His hand so Moses could see His back. God continued, "But you may not see my face. No one can see me and live" (Ex 33:20). Peter was a fisherman and knew his trade well. Jesus had finished teaching a crowd of people and told Peter to go out into deep water and cast out the nets. Peter reminded Jesus that he had just been out all night and could not catch any fish, but he would do it because Jesus asked him. He did as Jesus asked and caught so many fish the weight almost sank the boat. Peter suddenly realized Jesus was much more than a teacher. He was the Creator, and he was unprepared for such holiness. He asked Jesus to leave him because he realized his own inadequacies. The ways we prepare ourselves for the Creator today are good ways and should be continued. But we need to know that they are not complete without accepting the way Jesus prepared us when He died on the cross. No matter what we think we know or understand about Creator (or about healing), we still need to trust in and accept His salvation and holiness so we will be able to look at the Creator face to face and live in His goodness forever. Aho!
